0% THC | NON-GMO | MADE IN USA | TASTELESS | ODORLESS | NO PESTICIDES | LABORATORY TESTED

Grown and extracted from the USA, our quality CBD is fully compliant under the Kentucky Department of Agricultural Industrial Hemp Pilot Program. Our CBD products are legal and shipped to all 50 states. All of our CBD products contain 0% THC, guaranteed. We utilize a whole plant CO2 extraction that allows us to draw the CBD from the plant material and filter out unnatural substances, maximizing pure CBD concentration. Each and every product that leaves the facility is third-party tested to ensure consistency and quality.

All CBD Tinctures, regardless of strength, are 1 fluid oz and contain 30 servings at 1ml each. The dropper in the cap has measurement markers of .25, .5, .75 and 1ml to help with serving size.

Here is the breakdown by strength of the amount of CBD per serving, 1 dropper full:

500mg contains 16mg of CBD per serving

1000mg contains 33mg of CBD per serving

3000mg contains 100mg of CBD per serving
